

## **COVID-19**

Due to Covid-19 we ask that all guests please wear a facemask. Furthermore, in ordinance with Oregon state's capacity guidelines we limit parties to a total of 6 people.

In an attempt to keep everyone as safe as possible, we will be sanitizing the dressing rooms and seating areas before and after your appointment.

## **Parking**

There is free parking behind the shop and also pay to park street metered parking out front of the building in case the back lot is full.

## **Food & Drink:**

Food & Drink is allowed inside, although not near the dresses as we need to preserve the quality of our products. For this reason, food and beverages may be left on the front desk and returned to at any time during your visit, however not brought back to the seating areas. The only beverages allowed in the seating areas are water and champagne. No food is permitted in the seating areas.

## **BOOKING:**

Our clients and teams health and wellbeing will always be our number one priority so we ask that you only book an appointment with us if you are a serious buyer (if your event is within the next 18 months). This is simply to protect our staff from further exposure and our inventory from any additional wear and tear.

We understand that planning a wedding/event during these uncertain times can be difficult and we are here to help. If you have any questions please reach out to us and we would love to answer them!
